Status:- Pass

Comments:- Input is working.

TC_07:-

Step 1:- Enter registered phone number.

Step 2:- Enter correct password.

Step 3:- Click Next.

Expected Result:- User logged in successfully.

Actual Result:- User logged in successfully.

Status:- Pass

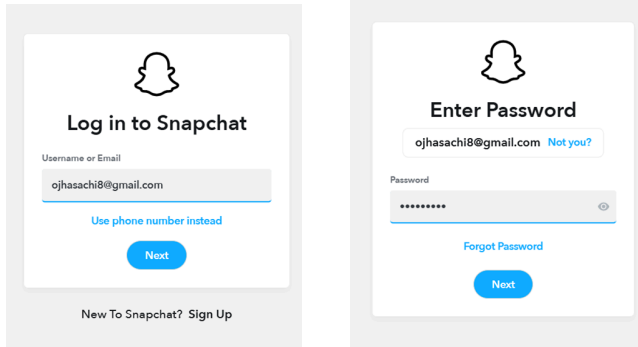

Comments:- login works fine.

TC_08:-

Step 1:- Enter email instead of username.

Step 2:- Enter valid password.

Step 3:- Click Next.

The image displays two sequential screenshots of the Snapchat login interface. The first screenshot, titled "Log in to Snapchat", shows the "Username or Email" field populated with "ojhasachi8@gmail.com". Below the field is a link that says "Use phone number instead". A blue "Next" button is positioned at the bottom of the form. At the very bottom of the screen, there is a link for "New To Snapchat? Sign Up". The second screenshot, titled "Enter Password", shows the "Password" field filled with masked characters (dots). To the right of the field is a small eye icon for toggling visibility. Below the field is a link that says "Forgot Password". A blue "Next" button is at the bottom of the form.
